**MAILED**

**DEC 22 2011**

**OFFICE OF PETITIONS**

In re Patent No.: 7,943,776  
Issue Date: May 17, 2011  
Application No.: 10/581,305  
Filed: October 12, 2006  
Attorney Docket No.: 383299-336US (107322)

**DECISION ON PETITION  
UNDER 37 CFR 3.81**

This is a decision on the Request to Correct Assignee under 37 CFR § 3.81(b) and Request for Certificate of Correction of Applicant Mistake under 37 CFR § 1.323, filed December 2, 2011, requesting correction on the Title Page of the subject patent, via issuance of a Certificate of Correction under 37 CFR 1.323, to identify the correct name of the assignee. The Request has been treated as a petition under 37 CFR 3.81. A completed Certificate of Correction form (PTO/SB44) accompanied the petition.

The petition under 37 CFR 3.81 is **GRANTED**.

Petitioner requests, in effect, that the Title Page of the above-identified patent be corrected, via issuance of a Certificate of Correction, to correct typographical error in the name of the assignee identified thereon from “Astrazeneca AB, Sodertalje (SE)” to:

-- AstraZeneca AB, Sodertalje (SE)--.

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter).

The petition was accompanied deposit account authorization to charge required fees. The requisite \$100.00 fee (Fee Code 1811), as set forth under in 37 CFR 1.20(a), was previously submitted. The requisite \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), have been charged as authorized in the petition. A review of the PART B –FEES TRANSMITTAL, submitted with the Issue Fee on April 1, 2011, reveals that “ASTRAZENICA AB” was erroneously identified as the assignee in Item 3 of the Transmittal. Office assignment records, however, are consistent with the requested correction. Accordingly, as the petition complies with the provisions of 37 CFR 3.81(b), it is appropriate for the Office to issue a

US Patent 7,943,776  
Application Serial No. 10/581,305  
Decision on Petition Under 37 CFR 3.81
